OSHA UPDATE FOR DENTISTRY REGISTER TODAY! SPACE IS LIMITED!

OSHA requires all dental offices to provide an annual training/retraining session for employees. This seminar will update you on what's new with OSHA and will also fulfill your annual training requirements. The seminar is accredited for 6 CEU's* and will include the following;

- 6 CEU* Credits
- OSHA's Hazard Communication Standard
- Bloodborne Disease Pathogens Standard
- OSHA's TB requirements
- All subparts of the OSHA Act that apply to the dental profession
- CDC Infection Control Guidelines for Dentistry
- How to design an Exposure Control Plan
- How to set proper office protocols
- How to deal with an OSHA inspection
- Training outline to take back to your office
- A question and answer session

The seminar will show participants how to quickly and easily achieve compliance with OSHA requirements and CDC guidelines. It will make your dental office not only a safer place to work, but will give you the peace of mind in knowing that you can easily pass the scrutiny of an OSHA inspection.

**The 2 additional CEU's will be provided upon completion of the free in-office assessment.*
